Notice for Taking Online Courses

- Please obey the online classroom discipline announced by the teachers and follow certain assessment procedures and requirements for your learning.

- Please attend online classes on time, and complete assignments and online tests in a timely manner.

- Please change your nicknames to your real names after entering the ZOOM classroom, and do not forget to "raise hands" if you want to speak in class.

- Please try to solve possible technical and communication problems in order to fulfill learning tasks.

- You are encouraged to give feedbacks or suggestions to the teachers on how to improve teaching effectiveness via Wechat or Canvas.

- In case of network jam, please be patient and try logging in again. You are welcome to leave your comments in the "chat" section of the ZOOM class.

- **Please be aware that you are not allowed to disseminate course materials such as recorded videos of the course for reasons other than personal learning.**
